NEW FEATURE OF EXCURSION

Pearl Harbor Trip Will Enable
Visitors to View Work of
Government.

A feature of the grand excursion to
Pearl Harbor next Sunday was
brought out by a tourist who had read
of the big doings in the Advertiser
and came in to the office to buy a
lunch of tickets. He said: "I have
made plenty of trips by water that I
thought were very grand, and I am
not belittling this trip by any means;
in fact, I expect to enjoy it immen-
sely, but what I am really going for is
to see the government works and for-
tifications that are being erected
there."

This is a grand chance for people to
see just what is going on there, how
the dredgers are cutting away the
bottoms of shallow channels and how
the skilled workmen and divers are
laying the foundations for the huge
drydocks and fortifications that are
going to make of Pearl Harbor the
safest and most convenient naval sta-
tion in the world.

These things can be seen to a cer-
tain extent from the land, but the
best way to see them is from the
water, and an opportunity will be
given to everybody who goes on the
excursion to see just what is going
on and to get some idea of the im-
mensity of the operations.

Caterer to Handle Lunch.

Captain Neely has been very busy
lately making final arrangements
about the lunch and other details. The
lunch will be placed in the hands of
a competent caterer, and the yacht
club is not being stingy, by any
means, about this important end of
the affair. There will be plenty of
tasty and substantial food for every-
body, and, however big the sea-born
appetites may be, nobody will have
to leave the clubhouse with anything
like a vacuum in their bliges.

The only trouble at present is to
get more vessels to accommodate the
large crowds that will be there. There
is talk of chartering another
steamer, and should the sale of tick-
ets increase as it has done the last
few days, this will be done.

Accommodations for the Hawaii and
the Spray are all gone and a large
number of tags have been sold for the
other yachts. There is plenty of room
yet on the Mokoli and Luka, and
Captain Neely yesterday arranged for
a large load of deck chairs for the
Luka, so that everybody will have a
seat and be comfortable.

There has been some talk of a party
of fifteen or twenty local business men
who wished to get together and have
a boat to themselves. The manage-
ment of the excursion wishes it stated
that this can be arranged if the party
is made up and notified the Adver-
tiser office by Thursday afternoon.

E TEAM PLAYS DOUBLE HEADER

Dunning Cup Standing.

G Company	6	5	.833
F Company	6	3	.500
H Company	4	2	.500
E Company	4	1	.250

The E team out at Fort Shafter show-
ed its gameness yesterday afternoon
by playing a double-header with two
different teams and broke even. They
beat F Company by 11 to 5, but fell
before the leaders of the series, Com-
pany G, by 9 to 7.

The G kids are now at the head of
the list with a big margin to spare,
and it looks as though they would walk
away with the Dunning cup. Bolun
pitched a natty game for them yester-
day keeping the six hits well scattered
and striking out seven men.

The following was the official score
of the game, in which the G team won:

C.A.C. AND AALA TEAMS TO PLAY

There was a meeting of the Kala-
niana'ole League held last night, and
the following data and arrangements
concerning the league were noted.

In courtesy to the Riverside League,
which will soon begin its first series,
the White Sox and C. A. Cs. have
agreed to default in their last games
in the second series.

The Aalas are now the champions of
the second series. The first series is
not yet complete owing to postpone-
ments caused by weather and courtes-
ies shown to other important events,
such as the Haleiwa race and the
visit of the Reach team.

Next Sunday the C. A. Cs. and
Aalas will play at Aala Park. If the
C. A. Cs. win they will be the cham-
pions of the first series and will then
play best two out of three with the
Aalas for the entire championship of
the league. Should the Aalas win, the
two will then be tied for first place
in the first series and will then play
one more game.

If the Aalas win that game, too,
they will be champions of both series
and the league will be pau. But, if
the C. A. Cs. win, they will still play
the Aalas for the final championship.

Next Sunday the N. G. H. will play
Fort Shafter in the Military League
series in the second game at Aala
Park, beginning at 3:30. The first
game will be between the C. A. Cs.
and Aalas, beginning at 1:30.

HIGH SCHOOL VS. PUNAHOU TODAY

More excitement in the Interschol-
astic League today. The High School
and Punahou teams will hook up at
Alexander field at 3:30. The High
team is now leading in the series, but
it is a very close thing all the way
round, and nobody can say what is
going to happen.

The Punahou boys have been having
a run of hard luck, but they are very
determined to retrieve their lost
ground, and it may well be that they
will come back on their own ground
and hand it to the McKinleys.

MARINES VS. 5TH AT AALA TODAY

The Fifth Cavalry baseball team
will come in from Lihuehwa today and
play the Marines at Aala Park. This
ought to be a pretty close game. The
N. G. H. team has defeated both of
these teams quite easily, and it will
be interesting to see which of the two
is going to make the best fight for
second place.

It is generally conceded that the
Guards will have a fairly easy time
of it running away with the pennant
in the Military League series, and the
principal interest is centered in the
scrap for second place between the
Marines, Cavalry and Infantry.

Sport Notes

The Fern cup for the championship
of the Atkinson League, which was won
by the Kewalos last Sunday, will be
presented at Aala Park next Sunday.

A party of local yachtsmen will sail
to Pearl Harbor today to see to se-
veral details in connection with the ex-
cursion next Sunday. Port Captain H.
D. Bowen will be one of the party.

AMUSEMENTS

AT THE ORPHEUM—SCENE FROM "A WOMAN'S SECRET."

"A Woman's Secret" at the Orpheum.

The Elleford company presented
"All Due to Diana" for the second
time at the Orpheum last night to a
laughter-convulsed house. Tonight the
bill is "A Woman's Secret," a power-
ful emotional story. The scenes are
laid in an English village. The plot
moves fast and gains momentum as it
progresses, so that the climaxes are
of logical strength and pleasing ap-
titude. It is cast with the full strength
of the company. "A Woman's Se-
cret" was presented at the Herald
Square Theater by Effie Elleford some
seasons ago under the name of
"Doris," and was a great hit. Miss
Ellisler had just closed her memorable
run of "Hazel Kirke" and her name
was prominent in theatricals. She
took the play on the road for two sea-
sons, where it repeated its city suc-
cess. Miss Due has the role played
by Miss Ellisler, and it gives her a
chance for some powerful emotional
work and is one of her successes. The
Osborn children will have a specialty
that will help to win them more ad-
mirers, and Ray Collins will present
his song act, "Pictured Melodies," be-

tween acts. The children are looking
forward to the Saturday matinee,
when the bill is the charming fairy
story, "Cinderella," with its many
features to please the little ones.
There will be beautiful costumes, the
funny scenes, and the many startling
mechanical devices. Special bargain
prices will prevail—children under ten
years, ten cents to any part of the
house; and adults, twenty-five cents.
Seats are now on sale at the box-
office.

The Band Concert.

There will be a public moonlight band
concert this evening at 7:30 at Aala

VIGOROUS OLD AGE

Even ruddy-cheeked youth is not more beautiful than the mature vigor of
healthy old age. This, however, is not seen so often as it should be, partly
because many persons mistakenly suppose that weakness and ill-health are in-
separable from ripe maturity of years.

Yet in the majority of cases feeble old persons require nothing but the
simple, natural treatment afforded by

Stearns' Wine of Cod Liver Extract

which acts by increasing the appetite, aiding digestion and putting more iron
into the blood. It has neither the taste nor smell of cod liver oil, but is as
pleasant to the taste as a superior table wine. It is as valuable to old persons
as to young ones and many of its most remarkable effects have been achieved
with the aged. Get it at your chemist's and be sure you get STEARNS'—
the genuine.
